

Research & Development Department

Southport and Ormskirk NHS Trust

Application Form

Title:	Comprehensive Statistics & SPSS
Date:	5 th / 6 th October 2009, 09:15-16:30
Venue:	Learning Resource Centre, Ormskirk Hospital
Tutor:	Elizabeth Wiredu

Not sure of the best statistics to use to effectively analyse your data?

Not sure how many sample you need to recruit or how to calculate the power of the test?

Need to refresh your mind on some of the statistical concepts such: standard deviation, standard error, parametric and non-parametric tests, hypothesis testing, p-value, confidence interval and level, type I and II error, risk and odd ratios, understanding meta-analysis output.

Then this 2 day intensive course is for you!! Places are limited so secure yours early.

Day 1: Understanding Medical & Health Statistics

Day 2: Introduction to SPSS Statistics
